Terms and Conditions for Redding Auction Service

Conditions of Sale

We offer four methods of bidding in this auction.

- A. Live-In House – You are present in person for the auction
- B. Phone Bidding – All requests for phone bidding should be made by Friday, November 11th, 5:00 PM EST, prior to the day of the auction so we can incorporate you into our phone bid schedule. Our staff will call you Two – Five lots prior to the lot that you are interested in. You will be able to hear the auctioneer so you can bid as you are here in person through our staff.
- C. Absentee Bidding – All absentee bids must be received by Friday, November 11th, 5:00 PM EST, prior to the day of the auction. Our staff will bid for you just like you were live in the audience. Our Live-In House audience takes precedence, and we allow our audience to start the bidding process and then we will activate your bid if applicable unless we have more than one absentee

bid on that item (i.e., We have a bid for \$100 and one at \$300, the bidding will start at \$110). A lot of times our bidder will get their items for less than the amount they left as their maximum bid. Feel confident when leaving your absentee bid.

- D. Internet Bidding – Internet bidding will be available through Invaluable.com and AuctionZip.com at their terms and subject to a 20% Buyer's Premium with a 4% Cash/Check Discount.

Please Note: If bidding by B, C, D you acknowledge all the terms and conditions of this auction and understand that we do our best to execute all bids correctly. However, errors are made at times and unforeseen technical difficulties can be an issue. In the event of such an error, at no point will the auctioneer be held liable. Our staff will contact you One-Three days after the auction to arrange the final payment, packaging, and shipping method. (Packaging and Shipping costs are an added expense). Packaging and Shipping will be handled by a 3rd party. There is No Buyer's Premium if you bid using method A, B, and C.
