Auctioneers Note: At the time of her passing, Mrs. Grim was 99 years old. She was among the 11th generation of her family to be born, raised, and live-out her life on this farm. This farm has been in her family since the 1700's. With that said, this is a fantastic antique/country primitive auction that you will not want to miss! Many items are still being uncovered due to the substantial volume, keep checking our website for updated pictures as the sale date gets closer.
