Auction Days – Doors Open at 8:30 AM on Saturday

Redding Auction Service Inc. is proud to be conducting this relocation sale of the Battlefield Military Museum formerly located at 900 Baltimore Pike on the downslope of the infamous Cemetery Hill on the battlefield! The museum was started 61 years ago by the late George Marinos with his personal collection being the backbone of the displays. George started collecting in 1941. The museum is relocating to a much smaller building while the land the museum is occupying is slated to be restored to its 1863 battlefield appearance. Here is your chance to own some items that will only be available to buy once in a lifetime.

Thank you,  
*Pat Redding*

**Terms:**

1. The items descriptions in our catalog were provided by the Battlefield Military Museum and their inventory log. Redding Auction Service Inc will not be held accountable for accuracy of descriptions or originality and authenticity of the items. We take a lot of pride in taking as many photographs as possible of individual lots. Hence, we let our pictures “do the talking”. So, take your time looking over the pictures of the lots you are interested in. We highly advise that you inspect the items personally for accuracy, originality, and condition. If you cannot inspect the items personally, we recommend that you look at our digital catalog found on our website so you can see the detailed photos of the specific lots you are interested in. You can also call our office at 717-334-6941 and speak to one of our staff so that they can look over the items that you are interested in and discuss any questions or concerns that you may have so that you feel confident in bidding on your chosen item(s). Note: We recommend you call the week of the auction, October 1st-4th for condition reports. Please do not call or message after 5 PM on Friday the 4<sup>th</sup> for condition reports or questions.
