The exceptional advertising you see in this auction is from what was once the Devine Beer Distributer. The multi-generational Devine Beer Distributorship was located on the Edge Grove Road in the Village of Edge Grove, PA, and located in the shadow of the Conewago Chapel. These signs were found in the attic of the distributorship, where they have lived for many years. This is a very unique opportunity considering most of the signs are new old stock in their original shipping boxes.

If you cannot inspect the items personally, we recommend that you look at our digital catalog found on our website so you can see the detailed photos of the specific lots you are interested in.
