Redding Auction Service Inc. is proud to be conducting this relocation sale of the Battlefield Military Museum formerly located at 900 Baltimore Pike on the downslope of the infamous Cemetery Hill on the battlefield! The museum was started 61 years ago by the late George Marinos with his personal collection being the backbone of the displays. George started collecting in 1941. The museum is relocating to a much smaller building while the land the museum is occupying is slated to be restored to its 1863 battlefield appearance. Here is your chance to own some items that will only be available to buy once in a lifetime.

Thank you,

Pat Redding

Terms:

1. The items descriptions in our catalog were fully cataloged by the owner, Speros Marinos himself. Redding Auction Service Inc will not be held accountable for accuracy of descriptions or originality and authenticity of the items. We take a lot of pride

in taking as many photographs as possible of individual lots. Hence, we let our pictures “do the talking”. So, take your time looking over the pictures of the lots you are interested in. We highly advise that you inspect the items personally for accuracy, originality, and condition. If you cannot inspect the items personally, we recommend that you look at our digital catalog found on our website so you can see the detailed photos of the specific lots you are interested in. You can also call our office at 717-334-6941 and speak to one of our staff so that they can look over the items that you are interested in and discuss any questions or concerns that you may have so that you feel confident in bidding on your chosen item(s). Note: We recommend you call the week of the auction, August 11th-15th for condition reports. Please do not call or message after 5 PM on Friday the 15th for condition reports or questions.

2. It is the sole responsibility of you as the bidder to satisfy yourself on the age, originality, authenticity, and condition of the lot before bidding by either live-in person, absentee, phone or internet bidding. **Absolutely No Refunds!**
3. We are not responsible for any typographical errors.
4. **No Reserves. All Items will have new owners.**
5. The Auctioneer is the sole determinant of who is the successful bidder.
6. We offer four methods of bidding in this auction.
 - A. Live-In House – You are present in person for the auction
 - B. Phone Bidding – All requests for phone bidding should be made by Friday, August 15th, 5:00 PM EST, prior to the auction so we can incorporate you into our phone bid schedule. Our staff will call you Two – Five lots prior to the lot that you are interested in. You will be able to hear the auctioneer so you can bid as you are here in person through our staff.
 - C. Absentee Bidding – All absentee bids must be received by Friday, August 15th, 5:00 PM EST, prior to the auction. Our staff will bid for you just like you were live in the audience. Our Live-In House audience takes precedence, and we allow our audience to start the bidding process and then we will activate your bid if applicable unless we have more than one absentee bid on that item (i.e. We have a bid for \$500 and one at \$800, the bidding will start at \$600). A lot of times our bidder will get their items for less than the amount they left as their maximum bid. Feel confident when leaving your absentee bid.

Our staff will contact you One-Three days after the auction to arrange the final payment, packaging, and shipping method. (Packaging and Shipping costs are an added expense). E-Plus Graphics & Promotions-Emmitsburg, MD (3rd Party Shipper) will assist with packaging & shipping at an added expense.
